

Personal Information

Name: Umit Baris Urhan

Date and Place of Birth: 14.05.1983,
Istanbul /Turkey

E-mail: barisurhan@gmail.com

Webpage: <http://www.barisurhan.com>

Mailing Address: Egmont H.Petersens Kollegium, Norre Alle 75, P.O. Box 427, 2100 –
Copenhagen, Denmark

Education

University of Copenhagen, Denmark

MSc. in Economics, February 2006 – April 2009 (expected)

GPA: 9 corresponds to B+ (calculated by 8 courses out of 10 which were taken till now)

- Course and Seminar – where all students conducted their own experiments – works in Behavioral and Experimental Economics (*Courses of Prof.Jean-Robert Tyran*)

Dokuz Eylul University, Faculty of Economics and Business Administration, Turkey

BSc. in Economics (4 years course work), September 2001 – July 2005

GPA: 71.6/100

Rank: Top 10% in the faculty among 1.200 undergraduate students

Additional Course Work

- LeeX: Experimental Economics Summer School in Macroeconomics, Universitat Pompeu Fabra, 9-13 June, 2008
(Tuition Grant: *Department of Economics, University of Copenhagen*)

Work Experience

- Student Assistant: University of Copenhagen, Centre for Experimental Economics
1.09.2008 – *ongoing*
- Student Assistant: Danish Technical University, Department of Transport
15.04.2008 – *ongoing*
- Research Student: University of Copenhagen, Department of Economics
1.10.2007 – 1.1.2008

I worked in the iLEE project as a volunteer master student where we were creating an internet based online laboratory to conduct experiments with large numbers of subjects. It also enabled us to match the outcome from the experiments with the socio-economic data from Denmark Statistic. The project leader was Prof. Jean-Robert Tyran.

Research Interests

Primary: Experimental Economics, Behavioral Economics, Game Theory.

Secondary: Cognitive Psychology, Neuroeconomics.
